Athens, 6-7 June 2018

MariMatch 2018 is a forum for companies as well as Research & Innovation stakeholders from the maritime sector that are looking to initiate or expand their International network for business, technological cooperation or research partnerships at the leading international fair Posidonia 2018. The event is being organized by the National Documentation Centre - coordinator of the [Enterprise Europe Network-Hellas](#) - and co-organised by the Athens Chamber of SME's (ACSMI), the Materials Industrial Research and Technology Development Centre S.A. (MIRTEC) and the [Sector Group Maritime Industries & Services](#) of the Enterprise Europe Network. The second edition of this event in 2016 attracted more than 120 participants from 16 countries with more than 350 meetings taking place!

Few events can match the concentration of international buyers that gather at the Posidonia Exhibition. In 2016 the stands of more than 1,800 exhibitors attracted over 22,000 buyers from 90 countries. For over 40 years this largest gathering in the shipping calendar has provided unique access to Greek and international ship-owners and buyers.

[The Enterprise Europe Network](#) is the largest network of integrated business support in the world. It started operating in 2008 and now includes 600 local organizations in 54 countries in Europe, the Middle East, Asia and America. It supports more than 2 million companies per year in international trade, technology & research collaborations as well as access to finance. In Greece, the [Enterprise Europe Network-Hellas](#) consists of established actors in the field of innovation and SMEs.
