Cosmetic in Nouvelle-Aquitaine, a comprehensive value chain from local resources to end-product

In Nouvelle-Aquitaine, the Cosmetic Valley competitiveness cluster's regional office works in close partnership with ADI N-A, the regional development and innovation agency. Together, they promote Nouvelle-Aquitaine companies and research laboratories, through:

- Individual product / process innovation actions
- Grouped assistance for business events
- Organizing and promoting the sector
- Supporting new businesses to set up and develop in the region
- Promoting know-how in perfumery and cosmetics
